Annual Meeting Report

November, 2008

Since we usually do not do Annual Meeting items in December and do not meet in January, we need to get some feedback from you today. When we have our requests in early to AEA, they are more ready to help us with our needs within their parameters.

Items to be looked at:

1. Has a speaker been obtained for the luncheon? If not, then a person or group needs to be selected to do this today. It is always nice to have an early blurp in The Conduit about what may happen at the Annual Meeting.

2. Shall we keep the $20 registration fee or do we need to raise it?

3. Shall we use the same larger ballroom arrangement as last year or do we need to make adjustments? If so, what?

4. Do we need to add a fifth table and chairs for the gazebo/patio outside Suite 201?

5. Do you want to make adjustments to the format in doing the Annual Meeting and activities during the Delegate Assembly? Otherwise, we will proceed as we did last year.

Thank you for your help today. We want to have a succesful 2009 Annual Meeting and Delegate Assembly activities.

AnnJi Craig-Wooten and Suzan Austin, Co-Chairs

Historian's Report

November, 2008

Again a call is going out for pictures, agendas, etc. for the activites and events of the 2007-2008 year and the 2008 summer ones. Please identify the individuals in the pictures and indicate when and where. If you send pictures email or on a disk, please have them in jpg format. Copies of the best pictures in your collection is preferred.

Individual pictures of activities from the cruise would really spice up the scrapbook pages. That would be better than just our group pictures.

Please Share. Thank you.

AnnJi Craig-Wooten, Historian
