Coalition Report – John Campbell

AARA sponsored two gubernatorial forums last month.

- In Tucson, Terry Goddard and Barry Hess answered four questions aimed at senior issues.
- In Phoenix, Terry Goodard was the only show so we gave him 20 minutes to discuss his issues and solutions.
- AARS also visited each congressman during the break to dilever information about senior issues, especially, Social Security and Medicare.
- Our position is that there be NO CUTS to Social Security and that Medicare must not face reductions in care.
  I have no info from the Alliance as we meet after our meeting.

We can do no great things.... Only small things with great love.
