

## **Welcome To The Team!**

By Anita Gibson

We are extremely excited to welcome **Julie Horwin** and **Judy Rohde**, our two newest members to the NEA Retired Directors' Team! Both hit the ground running and have been instrumental to the work that your NEA Retired Directors have been involved in since their election to the Board. We are happy to have the opportunity to share with you another part of their lives outside of their roles as NEA Directors.

Click on one of the names below to learn about the new board members.
