Pre-Retirement Workshops

Question: What's the most fun you can have that doesn't involve sex, drugs/alcohol and rock & roll?

Answer: Learning about
your retirement!

The right side of the slide features a decorative graphic composed of several overlapping, semi-transparent green triangles and polygons. The colors range from a light, pale green to a vibrant, saturated lime green. The shapes are arranged in a way that creates a sense of depth and movement, with some shapes appearing to be layered behind others. The overall effect is a modern, abstract design element that complements the text.
